

Grass Roots Code for Youth Football.

We are here to enjoy ourselves... Win, Lose or Draw. To help make football more enjoyable for all I should:

Remember that football is about enjoyment, not just winning.

Encourage others and behave well.

Bring a positive attitude to training and matches.

Recognise when my team-mate give respect, work together, or try their best.

We always treat others as we would like to be treated. To give respect at football I must:

Always use respectful language and actions.

Not argue with the referee, coach, and officials, and accept their decisions about football and my behaviour.

Show fair play by shaking hands with our opponents whether we win, lose or draw.

Tidy up after myself and take care of the facilities we use.

We are a team, on and off the pitch. To help us bond as a team I should:

Encourage my team-mates if they make a mistake.

Try my best and help my team, by being positive and supportive.

Play fairly, without cheating, diving, complaining, or wasting time.

Accept that I may not be able to play in my favourite position all the time, or that I may need to take a break to give someone else plating time.

Recognise that if I am Captain, I need to try hard to set a positive example for others to follow.

We all have a role in safeguarding children. To help keep everyone safe I must:

Remember football is about making friends, learning new skills and of course, being active!

Take responsibility, encourage others, and keep it positive.
