

Straffan GAA, Your Club, Your Community, Create the Future

Straffan GAA is a Club with a vision, now is the time to look ahead for the next decade...

We love our recent successful developments:
the Astro Pitch, the Skills Wall and now the Walkway...

Finally...

Straffan GAA would like to take this opportunity to thank the many people, businesses and organisations who have so selflessly provided financial support and/or given their time to assisting the club over many years. Without this, our Club would not be able to consistently deliver for our whole community. Our Club is at the centre of our community - not just literally but also in the fabric of the village.

As the village is now growing and evolving, the Club needs to be able to accommodate the increased demand. As a Club, we believe we offer our youth an experience that is positive and adds hugely to their personal development into adulthood.

The Club is acutely aware that the asks are significant commitments for all of us. However, with your assistance, we can properly provide for our members and wider community and develop a facility that we can truly be proud of. We are asking that you become part of the Club's journey and help future generations achieve their full potential.

Our community is growing and will continue to grow for some time to come and our current amenities are unable to sustain the growth in numbers.

With this in mind the Club has the opportunity to **buy an additional 5.45 acres** of land adjoining the Club's existing grounds. The club needs to raise €100,000 to fund this purchase and development of the extra lands. The increased footprint will enable the Club to accommodate the growing numbers as well as being a resource which will be utilised by the wider community.

Bond Scheme

Straffan GAA Club will issue bonds, priced at €2,500 each, as a way of raising the finance for this next phase of the Club's Strategic Development Plan. Effectively this is an interest free loan that will be repaid to the bondholder over a 10-year period. There will be a legal agreement signed by Straffan GAA Club to ensure bond holders are guaranteed repayment of their bond.

Why do we need to undertake this development?

Simply put – numbers. Our playing facilities are now at capacity during the core playing season. In addition, and more critically the population of Straffan will significantly grow over the next 2-5 years; and we need to prepare.
