

LOTTO FUNDRAISER 2023:

Coolaney/Mullinabreena GAA Club Supporter's Lotto has been in existence now since 2007 and has been a huge success, thanks to our many loyal subscribers over the years. It has gradually become the cornerstone of our annual fundraising efforts and is the lifeblood on which the Club manages its day-to-day expenses.

Club registration and affiliation fees, players' insurance, county board levies, property insurance, public liability insurance, team equipment and expenses along with the on-going maintenance and development costs of Nace O'Dowd Park are the

main areas of expenditure. The costs for a large club with expanding facilities are on the increase, but none the less, are controlled in a very efficient and frugal manner.

Our Club fields teams from age U-6 through to U-19 along with fielding two adult teams. Approximately 160 children/teenagers and 55 adults are registered to play with the club. Our Blue Kidz nursery programme and Cúl Camp also continue to grow which is a good sign of the health of Gaelic Games in the area. Our sister club St. Nathy's also avail of the facilities for their teams from U-6 right up to their Seniors.

Through the contribution of supporters at home and abroad, senior players, former players, coaches, sponsors and parents, we have attracted the kind of financial backing that has allowed our club to grow to the position of strength it stands at today. In 2023 we make a renewed appeal for new subscribers to our Lotto. We have not changed the price of the Lotto ticket and it remains at €100 for the year. Our club will continue to prosper on the back of this crucial support and all contributions are greatly appreciated.

Thank You. Club Executive.

PARK DEVELOPMENT:

In recent years we have taken steps to open our facilities at Nace O'Dowd Park to the wider community. Our new walking/running track is proving very popular with a wide range of daily users. We installed lighting on our track recently, making it a year-round amenity. Our all-weather sand training area is also proving popular. Works were completed to put in place significant safety measures on the

car park and road side boundary as well as the spectator viewing area. The new full-size pitch, built in 2016, continues to facilitate up to 18 teams, both female and male, throughout the year. Plans are now afoot for an exciting new clubhouse development in the near future.

Understandably, development works and plans have increased our annual

expenditure. However, costs remain under control and the benefits of our facilities for the community make it all very much worthwhile. We seek to further expand our Lotto supporters' base with the view to helping us to allay some of the repayment costs. See below a brief synopsis of works completed in recent years and plans for the future.

Club Development: €450,000 Spend To date

Achievements:

- 2013 – Park Extension/Land Purchase.
- 2015 – New Modern Sports Pitch Construction Begins.
