## About Ballincollig RFC:

In 1978, a group of rugby enthusiasts had the great idea of starting a rugby club in Ballincollig; a growing village with a population of 6000.

3D image of completed Phase 1

Now, 40 years later Ballincollig has a population of 20,000 (and growing). Ballincollig RFC is a successful, family orientated club with over 500 members, including 14 Adult and Youth teams – both male and female.

The Club is conveniently located on the western side of Ballincollig, just off the N22 Ballincollig bypass at Tanner Park. The time has come to improve our playing facilities and we need your help NOW!

## Redevelopment Plans:

Ballincollig RFC has an exciting 10 year plan – to improve the playing facilities at the Club for all. We're concentrating initially on solving the flooding and drainage issues on the back pitches, and installing floodlights on Pitch 1. This will meet the growing demand for evening matches and training under lights.

This will allow the club to train all season, ensuring the continued success of our club now, and into the future for new generations. In total, there will be 6 stages with a projected spend of €945,000 – with the first, and most important stage (drainage & lighting), happening this Summer 2018. **You can be a part of this!**

**Phase 1**  
2018

### Redevelopment of Pitches 2 & 3

#### Floodlighting on Pitch 1

Development Cost	€311,000
Club Fundraising to date	(€40,000)
Grants	(€163,000)
<b>FUNDING REQUIRED</b>	<b>€108,000</b>

**Please support our club  
in whatever way you can**

**Phase 2**

Floodlighting Pitches 2 & 3;  
Upgrade Ball Netting and Goalposts

**Phase 3**
