

## Which Castleknock Membership Subscription is right for you?

The Club's **membership year** runs from 01/11 to 31/10 and the GAA **playing year** runs from 01/01 to 31/12 overlapping the last ten months of the membership year. A player is U7, U8 etc. if they are aged 7, aged 8 etc. at the end of the **playing year**, i.e. on 31/12 after the end of our **membership year**.

Nursery ages are up to U7. Juvenile ages are U8-U16. Minor ages are U17-U18. Adult ages are U19 and over. The Minors are still juvenile members but play with the Adult section of the club.

### **1. Family Membership (€384)** is right for you if:

- you and/or your partner want to vote in club matters
- any adult children want to vote in club matters
- you have one or more adult/juvenile/nursery players in your family
- all the children live with the parents

Membership includes:

- up to two parents/guardians, full members of the club with voting rights
- up to six children, adult/juvenile/nursery
- adult children, from their 18<sup>th</sup> birthday whether players or not, are full members of the club with voting rights
- two lines in the club lotto

### **2. Family Membership (non-players) (€288)** is right for you if:

- you and/or your partner want to vote in club matters
- any adult children want to vote in club matters
- you have no players in your family
- all the children live with the parents

Membership includes:

- up to two parents/guardians, full members of the club with voting rights
- up to six non-playing children, adult/juvenile/nursery
- adult children, from their 18<sup>th</sup> birthday whether players or not, are full members of the club with voting rights
- two lines in the club lotto

**3. Family Membership (1 mentor, 1 Juvenile player) (€288) is right for you if:**

- one of the parents/guardians is a mentor, and you have only one playing child who must be a Juvenile player (U8-U16)
- the parent/guardian who is a mentor is a full member of the club with voting rights
- your partner and any non-playing adult children do not want to vote in club matters
- all the children live with the parents

**Membership includes:**

- up to two parents/guardians
- the parent/guardian who is the mentor is a full member of the club with voting rights
- the parent/guardian who is not the mentor is an associate member of the club **WITHOUT** voting rights
- up to six children (adult/juvenile) of which only one can be a player and that player must be a juvenile player (U8-U16)
- adult non-playing children, from their 18<sup>th</sup> birthday, are associate members of the club **WITHOUT** voting rights
- two lines in the club lotto

NB1 – if you have another nursery age child who is a player, you can buy a separate membership for this child.

**4. Individual Adult/Juvenile Membership – Family Style (€192) is right for you if:**

- you and you partner don't want to vote in club matters
- you only have one playing child – Adult or Juvenile
- the Adult/Juvenile child lives with the parents

**Membership includes:**

- up to two parents/guardians, as associate members of the club **WITHOUT** voting rights
- an adult child, from their 18<sup>th</sup> birthday whether a player or not, is a full member of the club with voting rights
- two lines in the club lotto

NB1 – you can only buy a one Individual Adult/Juvenile Membership. If you have two adult/juvenile players in the family you must buy a Family membership.

NB2 – if you have other nursery age children who are players, you can buy separate Nursery memberships for those children.

NB3 – if you have another Adult/Minor child who is a player and is attending a third level institution or equivalent full time, you can buy a separate student membership for that child.

**5. Individual Nursery Membership – Family Style (€60 each) is right for you if:**

- you and you partner don't want to vote in club matters
- you have up to three playing children – nursery
- the nursery children live with the parents

**Membership includes:**

- up to two parents/guardians, as associate members of the club **WITHOUT** voting rights
- no lines in the club lotto

NB1 – if you have another Adult/Juvenile age child who is player, you can buy a separate Adult/Juvenile membership for that Adult/Juvenile.

NB2 – if you have other Adult/Minor children who are players and attending a third level institution or equivalent full time, you can buy a separate student membership for those children.

**6. Individual Student Membership – Family Style (€100 each) is right for you if:**

- you and you partner don't want to vote in club matters
- you have up to three playing children – Adult or Minor
- the Adult/Minor children are attending a third level institution or equivalent on a full time basis

**Membership includes:**

- up to two parents/guardians, as associate members of the club **WITHOUT** voting rights
- an adult child, from their 18<sup>th</sup> birthday whether a player or not, is a full member of the club with voting rights
- no lines in the club lotto

NB1 – if you have other nursery age children who are players, you can buy separate Nursery memberships for those children.

NB2 – if you have another Adult/Juvenile child who is a player, you can buy an Individual/Juvenile membership for that child.

NB3 – The club will send you instructions on how to upload documentation of third level student status to the Clubforce website to support your membership application.
