Dear Member,

Your club, Lucan Sarsfields GAA Club, is the largest sporting organisation in West Dublin. As you know, we are a volunteer-based organisation, with 155 teams and a membership for 2022 exceeding 3,500 people.

Our community involvement extends beyond Gaelic games with Lucan Sarsfields volunteers providing other supports for the community through various initiatives. These include promotion of the Healthy Club initiative, the GAA Social Initiative and GAA for All.

Our teams continue to compete at the highest level, juvenile and adult championships are now mostly complete, with some still ongoing. Several of our teams reached championship finals with some coming away with the silverware.

Our annual running costs are approximately €450,000. Membership fees only cover 55% of this amount. This means that we must rely on our extraordinary volunteers who undertake a number of various fundraising projects throughout the year to help us make up the balance. These efforts, as well as those of our partners and sponsors are crucial in balancing the books every year.

A key part of our annual fundraising is the **Christmas Draw**. This year, I am writing to each household represented in the club to ask for your support to ensure our annual Christmas Draw raffle is a success. We have issued a book of 10 tickets to each household, with a selling price of €5 per ticket. If you want to encourage friends and family to purchase tickets, tickets can be purchased online via the link on our website.

All sold or unsold tickets should be returned to the Clubhouse (to the bar or café) by Thursday 15<sup>th</sup> December at 9pm. The draw date is Saturday 17<sup>th</sup> December. Alternatively, your team coach/mentor may be happy to return them for you. If you require further tickets to sell, please ask your team coach/mentor.

On behalf of the Club's Executive and all those who benefit from your generosity, I thank you for your support. We wish you and your family a very happy Christmas and a peaceful New Year.

Yours in sport
