

I hereby apply for my daughter to become a member of Muckross Hockey Club. I recognise that there are risks associated with playing all sports. I accept and appreciate the risks involved and shall not hold the club responsible for any injury that may occur. I consent to my daughter's participation in training, matches and tournaments.

General Consent

I agree that photographs and/or videos of my daughter at training, playing matches or representing the club may be posted on the club website or used in promotional documentation or for training aides.

My daughter and I appreciate the need to and she agrees to wear a gum shield and shin pads at all times during training and at matches. I understand that if a child is noticed not to be wearing a gum shield she will be asked to step out of the trainings session or match but that the responsibility at all times regarding gum shields rests with me and my child.

I understand that the wearing of jewellery including rings, bracelets, watches and necklaces increases the risk of injury during training or matches. My daughter and I understand that it is our responsibility to ensure that she is not wearing these items during training or matches.

I understand that players under the age of 18 who are involved in defensive short corners are required to wear face masks and that it is club policy that all players are responsible for providing their own mask.

Medical Consent

In the event of illness or accident which requires emergency hospital treatment, I hereby authorise one of my daughters Team Coaches to sign on my behalf any written consent form which is required by any hospital authorities/doctor, if the delay required obtaining my signature is considered inadvisable by the doctor or surgeon concerned. I further confirm that I have provided my daughter's Coaches with details of known allergies or sensitivities (i.e. penicillin/nuts) or any other medical issues of which the club should be aware.

I have read the terms of my membership of Muckross Hockey Club and understand and agree to be bound by them. I accept and agree to the players code of conduct and behaviour.
