

Registration is a 2-Step process this year. Registration through the Basketball Ireland Site is Stage 1 and registration with Corrib is Stage 2. Please follow the instructions carefully.

Stage 1: GameDay Registration

GameDay is the platform that Basketball Ireland uses to register members. It is necessary for all members to be dual members of both their club and the National Body in order to be covered by insurance and to be eligible to play in games. You need to use the email address that members have previously been registered with. If you do not know what email address the members were previously registered with please contact the team manager.
