

Tralee Dynamos FC – Terms & Conditions

Membership fees

Membership fees go towards purchasing balls, training equipment and jerseys, entry fees for leagues and cups, paying Public liability insurance and Personal injury insurance, hiring of all-weather playing pitches and maintenance of the existing club grounds. If you have not paid your full membership, our insurance will not cover you for any injury.

The majority of this money is spent on schoolboy and underage soccer. Running the Tralee Dynamos Soccer Club is an expensive activity and it is important that everyone contributes so that we can provide the best possible soccer experience for all of the players.

The membership fees do not meet the full running costs of the club, so will be asking all to participate in various fundraising activities throughout the year to ensure the survival and development of the club for the future.

Tralee Dynamos FC is a Voluntary Run non-profit club that relies on the generosity of the community to provide its services to the registered members.
