code of Conduct for Spectators/ Parents- What is Expected!

***Remember that although children play organised soccer they are not miniature professionals. Don't place excessive pressure on children to perform to unrealistically high expectations. Children play soccer to develop their skills, to have fun and enjoy the game.

*** Be on your best behaviour and lead by example. The behaviour of team's supporters will often be remembered long after the result of the game. Be remembered for the right reasons.

*** Applaud good play, sportsmanship and best effort by the visiting team as well as your own.

*** Welcome and respect all your teams' opponents. Without them there would be no match.

*** Condemn the use of violence in all forms at every opportunity.
